

Safety and Training Committee Meeting

June 23, 2010

Lakeland, FL

10:00 am - 3:00 pm

Committee purpose

The Florida Municipal Electric Association Safety and Training Committee meets quarterly to exchange information about current safety and training issues and developments in the electric utility industry. Committee members share and review in-house safety and training policies and practices. Discussions include improving on the delivery of training programs, workplace accidents, accident preventions, ergonomics, safety education and illness prevention. The Safety and Training Committee reviews and updates the criteria for the Annual Safety Awards and the Florida Lineman Assistance Fund.

Meeting agenda

- 10:00 - 10:15 Meeting call to order/self introductions
- 10:15 - 11:30 Presentation: Incident Command Training
- 11:30 - Noon Utility Hurricane Readiness Discussion
- Noon - 1:00 Lunch
- 1:00 - 2:30 Safety and Training roundtable discussion
- 2:30 - 3:00 Program Planning:
 - Safety and Training Breakout Session
 - Lineworkers Breakout Session
 - Utility Education and Trade Show Days
 - South Location (Palm Beach Gardens); September 14
 - North Location (Gainesville); September 15
